

URBAN COMFORT FOOD

Born: February 28, 1963 in Edgewater Hospital (Chicago, IL).

How did you get the name Eggy?

I've always had a freakishly large head. Actually this caricature of me is drawn to scale. I'm basically a real life bobble-head doll.

Hobbies: I have completed 10 iron man races and over 30 Marathons, which is especially impressive when you consider that my giant egg-shaped melon isn't very aerodynamic.

Passions: Family, fitness, and eating at Eggy's (not necessarily in that order).

Random Thought: Humpty Dumpty was pushed!
